

DAILY DUTIES OF OUR ON CALL CAREGIVERS

Include helping with personal care, mobility, and household management. They also ensure the safety and comfort of all patients.

Personal care Assisting with bathing and dressing, helping with eating and drinking, administering medication, and Maintaining records of treatments.

Mobility

- Helping with transfers, such as from a wheelchair to the bathroom
- Recognizing signs of risk of falling
- Helping with moving safely inside and outside the home

Household management

- Light housekeeping, such as tidying, doing dishes, and laundry
- Organizing and maintaining living spaces
- Laundry & Ironing

NB: Caregiver is responsible for only the patient's laundry and ironing, NOT the entire household laundry. She does light cleaning of the patient's surroundings. Please hire a domestic worker for your entire house through cleaning, gardening, laundry etc. CAREGIVERS ARE NOT DOMESTIC WORKERS.

Medication

- All medication and supplement assistance will be administered with strict adherence to doctors' orders as instructed.
- No changes will be made without family and doctors' approval.

Meal preparation and serving

- Which meals and how many times per week.
- A nutritious menu must be discussed and approved, consistent with the patient's dietary requirements.

Grooming assistance

- Brushing teeth, washing, shaving, fingernail and toenail care, etc.
